### **VP EXTERNAL AFFAIRS**

#### **Profile statement:**

My name is **KESHAV PURI** and I am a first-year student at Langara College. I am majoring in Business management. Leadership is one trait of my personality, but I also like reading and hiking. I am committed to excellence and professionalism.

#### **Platform Statement:**

Strengthening bonds with various organizations, enterprises, and government entities is paramount to our triumph. I am committed to prioritizing collaboration to magnify our influence. Through concerted efforts with diverse groups, we can harness collective resources, knowledge, and expertise to confront intricate challenges and realize shared objectives.

In essence, my aspiration as Vice President of External Affairs is to lead with unwavering integrity, genuine empathy, and a resolute focus on outcomes. I am devoted to elevating our organization's external presence, advocating for substantial transformations, and nurturing a culture of cooperation. Together, we can craft a more inclusive, dynamic, and influential future for our organization and the communities we serve.
