PLATFORM STATEMENT:

As the current President of the Langara Students' Union, I am running for re-election to continue serving students and strengthening our campus community.

My goal is to ensure that students' voices are heard, their concerns are taken seriously, and their needs remain at the center of LSU's work. I believe in fostering an inclusive and welcoming environment where students from all backgrounds feel respected, supported, and encouraged to participate in campus life.

If re-elected, I will continue working collaboratively with LSU Council, committees, college departments, and student groups to improve communication, encourage student involvement, and support initiatives that promote student well-being and connection. I also want to create more opportunities for students to share their feedback and take an active role in shaping their student experience.

I am proud of the work we have done together and hope to continue building on that progress. With your support, I will remain committed to representing students, listening to their concerns, and working toward a stronger, more connected Langara community.
