

Name: Preet Gill

Position: Internal & External Representative

PROFILE:

I am a dedicated Langara student and an active member of the Langara Students' Union community, with experience as a Vice President Internal & External Representative. My leadership and professional experience have strengthened my skills in communication, advocacy, public relations, conflict resolution, and teamwork. Through my work in customer service and management, I have learned the importance of listening, collaboration, and accountability. I am committed to representing students and contributing positively to the Langara community.

PLATFORM:

My focus is on strong representation, communication, advocacy, and building meaningful connections within and beyond the Langara community. Having experience with the Langara Students' Union, I understand the importance of listening to students and ensuring their concerns are communicated effectively. I want to continue creating opportunities for students to have their voices heard and to feel informed about decisions and initiatives that affect them. I believe strong internal communication is essential to an effective Students' Union. I would work collaboratively with Council, committees, clubs, and student groups to strengthen communication, encourage participation, and ensure that different perspectives are respected. I also want to support stronger connections between students and the resources available to them. Externally, I would support building positive relationships with community organizations, partners, and other student organizations while representing the interests of Langara students professionally and respectfully. My experience in public relations, external communications, negotiation, public speaking, and working with diverse communities has prepared me to contribute to these responsibilities.

My goal is to be an approachable, accountable, and responsive representative who listens to students, communicates clearly, and works collaboratively to advocate for their interests.
